

Are you ready for a new challenge? Schölly is ready for you!

In order to strengthen our international growth, Schölly is looking for new business partners in the following areas:

Central Europe

Belgium - Cyprus - Finland - Ireland - Liechtenstein - Malta - Portugal - Switzerland

Eastern Europe

Bosnia-Herzegovina - Estonia - Latvia - Lithuania - Macedonia - Moldova - Serbia - Slovakia - Ukraine

If you have:

- experience in endoscopy
- a powerful and highly motivated sales team
- knowledge of the medical market in your country
- good connections to hospitals and governmental institutions

And you are:

- interested in a long-lasting partnership with exclusive rights for our high-quality products
- proactive with the will to make the deal
- willing to invest in demo equipment

Then become our partner!

Schölly offers you technical and marketing support from the headquarter in Denzlingen as well as high profit margin for your sales activities.

If you are ready for this business opportunity, please contact:

Mr. Dirk Barten
Vice President Marketing & Sales
